**ARIES** (*March 21-April 19*)
You will find that the stars are not in your favorite this week. Best to watch your back, never know if you are being followed by pink bunnies.

**TAURUS** (*April 20 - May 20*)
Don't hate your roommate because they are smarter than you, learn to study more or you will fail your next major test.

**GEMINI** (*May 21 - June 21*)
Take one day at a time because you never know when you may fall down the rabbit hole and find yourself in wonderland.

**CANCER** (*June 22-July 22*)
Don't hide your smile just because everyone else thinks it is tacky. Who cares what the world thinks, do what you feel! Be yourself for once.

**LEO** (*July 23- August 22*)
You spend too much time in front of the mirror looking at your hair, when you should be brushing those teeth.

**VIRGO** (*August 23 – September 22*)
Live everyday from now on like it is your last because it very well maybe..

**LIBRA** (*September 23 - October 23*)
You will win the lotto and than lose it all in a game of poker...

**SCORPIO** (*October 24 - November 21*)
You will be rewarded for all that time devoted to studying with a kiss from the one you love...even if they don't know it yet..

**SAGITTARIUS** (*November 22-December 21*)
Don't be surprised when you hear loud noises coming from your car... it is just trying to stay fixed so... you can start making it to school on time.

**CAPRICORN** (*December 22-January 19*)
You will come up with a new invention this week....just don't use that old ball of chewing gum...you keep on your dash board.

**AQUARIUS** (*January 20 - February 18*)
You are going to have a long winter especially when you get stuck in the middle of nowhere because of a flat tire with nothing but a tooth pick...now would of been one of those time you could of used a cell phone. Be prepared for what might fall into your lap.

**PICSES** (*February 19- March 20*)
Relax and have a cup of coffee before you are forced to emerge into the real world...and you thought college was hard!
